

WHS ACADEMIC HONESTY POLICY

MISSION STATEMENT: OUR MISSION IS TO PROVIDE THE HIGHEST QUALITY EDUCATIONAL EXPERIENCES WE CAN ENVISION IN ORDER TO EMPOWER ALL STUDENTS WITH THE SKILLS, KNOWLEDGE AND VALUES NECESSARY TO MEET THE CHALLENGES OF A CHANGING WORLD AND TO BECOME CONTRIBUTING MEMBERS OF SOCIETY.

A responsible 21st century citizen is one who demonstrates and values the importance of ethical behavior. At WHS, our learning community requires students to take responsibility for their own personal conduct in both social and academic endeavors. In this regard, students must attend WHS ready to learn and in their learning demonstrate the ability to use moral awareness, integrity and perseverance. Academic honesty requires that students produce work that is their own. Dishonesty undermines the learning process and subverts the trust essential in student-teacher relationships. Students who seek a dishonest advantage over their fellow students are pursuing a course that is destructive to themselves, to their peers, and to society.

Academic honesty in the classroom means that all students do their own work on assignments, homework, and examinations. The work completed by students is used to determine the grades given in courses. Unauthorized assistance from other students or student aides also is considered a violation of the Academic Honesty Policy.

It shall be the judgment and responsibility of teachers to determine whether an academic dishonesty violation has occurred. Students in violation of the policy will be subject to the following consequences:

EXAMPLES OF VIOLATIONS INCLUDE (but are not-limited to):

1. A student looks on another student's paper or talks during an examination.
2. A student helps another student cheat on an examination, assignment or project.

6. A student turns in another person's work as his/her own (copying from another student, document or internet source).
