[Algebra 1 2007](#)

[Geometry 2007](#)

- ✧ Enter the activation code below:
  - For Algebra 1: 3446613-270
  - For Geometry: 3446613-40
  - For Algebra 2: 2606518-10

[Algebra 2 2007](#)

- ✧ After entering the code, click on “Continue”
- ✧ Click on “Create a Student Account” to set up your username and password
- ✧ Follow the directions for creating your account, answer the questions and click on “Create Account”
- ✧ Once your account is created, you will be told your registration is complete and asked to “Continue”
- ✧ You will then be directed to “Go to Classzone”
- ✧ Select your book (it will appear as a shortcut across the top of the page)
- ✧ Click the link for “Online Book”
- ✧ The book should appear and you can direct yourself to any section of the book using the “Contents” link at the left.
- ✧ You may also print single pages from the online book if you wish.
